LOCAL NEWS

The Department of Agriculture has issued a warning to Stock men to be ware of impostors who are trying to peddle fake remedies for Foot and Mouth Disease or graft cattlemen by promised immunity from quarantine or the expense of disinfection.

This is a simple graft and all stock men should be on their guard. Report any one who comes to you in the guise of a Government Inspector or Agent to the officers and get rid of them.

Attorney D. S. Durrin and Donald Upton came up from Solano Tuesday on legal business and remained till Wednesday. Mr. Durrin reports some recent immigration and homesteading around Solano also that a newspaper man from North Dakota is coming to locate and start a paper there--maybe.

Mr. Upton has spent the summer at Roswell and is satisfied that his ranch in La Cinta Canyon is worth more to him than any of their highly improved land along the Pecos River.

Pablo Sisneros came in from his ranch Wednesday and telephoned his family who are visiting relatives at Mora not to start on the drive home until the weather moderates

A Railroad bridge 130 feet in length was destroyed by fire Monday on the E-P&S W. line between Abbott and French. A construction train was taken to the scene and a temporary bridge erected in time for the regular traffic Wednesday. The mail express and passengers were transferred Tuesday and traffic delayed a full day. The cause of the fire is not reported and seems to be a mystery.

J. K. Lee came up from Mosqueso Tuesday on business. He is well satisfied with the results of his farming this year.

Joe Elek asks us to send his paper to Mills hereafter. He has been a patron of the Post Office at Vernon heretofore but wants to go to town for his mail in future.

Rev. Price and family are rejoicing over the find of a fine well of water on their claim at a depth of 80 feet. He had the well drilled 110 feet for a basin and has a pump in it. He will put up a windmill later and his claim looks a lot better to him with plenty of water on it.

You are hereby notified that the regular annual meeting of the stockholders of the Roy Trust & Savings Bank will be held at its banking office in Roy, on Monday January 4th, 1915, from 10 o'clock A. M. until 4 P. M. The purpose of this meeting will be to elect a Board of Directors for the ensuing year, and for the transaction of such other business as may properly come before the meeting.

C. L. Justice, Cashier.

Rev. Price was called to Maxwell last Sunday to preach to the Baptist congregation there. He likes the people there but thinks he had rather farm here under our conditions than there and irrigate.

F. E. Epps drove in Monday from the ranch and took out a load of supplies Tuesday. Our guess is that it was a cold ride thru the storm.
